

Donor Privacy Policy

The National Coalition Against Censorship (NCAC) is committed to respecting the privacy of our donors. NCAC provides this Donor Privacy Policy to inform you of the way your personal information is used.

NCAC collects and confidentially maintains the following types of donor information: contact information (including mailing address, phone number and/or email address), payment information, and requests to receive periodic updates. We use your information to complete a transaction authorized by you and provide updates to you on our programs and events.

Use of donor information will be limited to the internal purposes of NCAC. NCAC does not sell, rent or lease your personal information without your consent. We also provide you with the opportunity to remove your name from our mailing list, or to decide the frequency with which you receive communications from NCAC. We assure you that the identity of all of our donors will be kept confidential.
