1. What are your objections to the material? (Please be specific cite instances.) It's trying to change all that our country stands for. I don't believe multicultural education should be at the expense of the American culture.
2. What do you believe might be the result of using this material? it will destroy our children's minds as well as our society and life as we now have.
3. For what age group would you recommend this material? none
4. What would you list as the good points of this material? none -
5. Did you read, view, or listen to material in its entirety? no
What parts? Enough to know I don't want it in our schools.
6. What material of equal quality would you recommend in its place? Teach more of our history instead of something that's going to hurt our culture.
