

NATIONAL COALITION AGAINST CENSORSHIP

Celebration of Free Speech & Its Defenders
Wednesday, November 10, 2021
Virtual Journal

Proceeds from our VIRTUAL JOURNAL will support the National Coalition Against Censorship.

Although NCAC was founded almost 50 years ago, our approach to defending free speech remains innovative. We work tirelessly and inventively with the silenced individual to protect a person's right to speak, in every form, because it is an essential human right and a cornerstone of American democracy.

Honor one of the honorees or place a message supporting Free Speech. The journal will be emailed to an audience of 3000 free speech supporters and shown during the benefit.
