

## JACQUELINE, 16, MASSACHUSETTS

*Malala's Magic Pencil* by Malala Yousafzai is an empowering book that equips us with the knowledge that we have the power to change the world. Banning this book prevents other young girls in similar situations from knowing that they too can make a change and have a say in their education. Anyone can stand up for what they believe, because we all have a magic pencil, and that is our voices.
