

**LYLA, 17,  
OHIO**

***The Story of Harvey Milk and the Pride Flag* is a beautifully written and illustrated introduction to two very important parts of LGBTQ+ history: the first openly gay person to be elected to public office in California, Harvey Milk, and the creation of the Pride flag. It should not be banned because it shows the importance of acceptance and equality, as well as the value of hope and speaking out for what you think is right.**
